* Solar Grid fee: Monthly grid fee is \$0.00 per kw for the 1st 4kw of the system, \$5 for each kw beyond

Energy usage (kwh sales) is subject to the purchase power adjustment (PPA). The PPA takes into account the varying prices being charged to AMU by our power supplier. When the amount AMU pays its power supplier rises, the increased cost is added to the customers energy charges. It is important to note with PPA there is no mark up for AMU, and the PPA is implemented by most utilities throughout Minnesota and the nation.

Champlin franchise fee:

Residential	\$ 3.98
Small Commercial	\$ 10.78
Commercial	\$ 45.33
