

You now have a choice
*to serve more of your home's electricity from
renewable sources*

Today, 17% of your home's electricity comes from renewable energy, as required by the State of Minnesota.

You now have a choice of increasing your renewable energy mix to 50, 75 or 100 percent from renewable sources for only a few extra dollars per month.

Program Benefits:

- **Low Cost**– From \$1 to \$3 per Month
- **Predictable Cost** – Fixed monthly cost
- **Easy to Sign Up** – Return this form or visit www.cleanenergychoice.com/anoka
- **Easy to Cancel** – Subscription is monthly – cancel any time

Complete Form on Other Side to Enroll!

YES! I would like:

- 100% of my electricity from renewables for \$3/month
