City State Zip Code

Customer Account # _____

Disclaimer and signature

Customer should submit payment for:

- A. \$300 Meter fee (calculated at 75% of the meter cost at today's rate and updated as prices change), and
- B. \$100 Grid fee.

Make fees payable to the City of Anoka and reference the customer's name and installation address. Pay one of two ways:

1. Mail to the address of:
 Anoka City Hall
 Attn: EV TOU Program
 2015 First Avenue
 Anoka, MN 55303

2. Call the city's Finance Receptionist at 763-576-2700 to make an "EV TOU Program Payment" with your name and reference to the installation address. Please note, that making a payment over the phone will be subject to a \$3.25 credit card convenience fee.. Make sure to submit the application by mail if you pay over the phone. Then, schedule a time to disconnect power at the project site to install the new EV Time-Of-Use (TOU) meter. To schedule, use our website www.anokamunicipalutility.com or call 763-576-2903.

I certify Payment of \$400 has been paid to the City of Anoka

Signature: _____ Date: _____

TERMS AND CONDITIONS

- Program available only to Anoka Municipal Utility (AMU) residential customers.
- Program requires Level 2 Charger(s) installed at customer residence.
- Off-peak rates are currently 10pm to 7am daily for discounted EV Rate. Any power used at the off-peak time would be subject to a discount.
- Peak Premium Rates from 7am to 10pm with added charge. Any power used at the peak time would be subject to a premium increased rate.
- Program will require investment in a separate meter. Currently priced at \$300 (75% of the meter cost), subject to change as meter costs change.
- The residential EV meter must be installed by AMU and will come off the main panel and feed to an EV subpanel or receptacle dedicated for EV feeds.
- Customer to pay a \$100 Grid fee with application.
- All rates and fees are subject to change.
- AMU reserves the right to conduct random inspections at any time to verify and inspect the meter and/or charger at the customer's address. Inspections may be performed before and after the Time of Use (TOU) program begins at AMU's discretion. If AMU inspects the meter/charger and finds it to be tampered with or the charger that was installed is not a level 2 charger, the TOU program may be discontinued along with back charges to the customer's utility billing account.
- A residential rebate is available with a level 2 charger installed and ownership of a full Battery Electric Vehicle (BEV), or a Plug-in Hybrid Electric Vehicle (PHEV). Find out more details and how to apply for the [Residential EV Charger Rebate](#) if applicable.

TIME OF USE RATES PER KWH & MONTHLY FIXED CHARGES

ENERGY CHARGE		FIXED CHARGE	EV RATES		EV FIXED CHARGE

CUSTOMER PROCESS

1. Customer installs 200-amp by-pass meter socket to feed EV charger only, requires an electric permit. Send a copy with the application.
2. Customer will get approved inspection documentation from the electric inspector. Send a copy with the application.
3. Customer completes Application for EV Charger Time-Of-Use Program using online application form or printable application by mail.
4. Customer purchases the EV meter from AMU, currently priced at \$300 (75% of the meter cost), subject to change as meter costs change, and pay \$100 Grid fee. Make fees payable to the City of Anoka and reference the customer's name and installation address. Pay one of two ways:
 - a. Mail to the address of:
Anoka City Hall
Attn: EV TOU Program
2015 First Avenue
Anoka, MN 55303
 - b. Call the city's Finance Receptionist at 763-576-2700 to make an "EV TOU Program Payment" with your name and reference to the installation address. Please note, that making a payment over the phone will be subject to a \$3.25 credit card convenience fee. Make sure to submit the application by mail if you pay over the phone.
5. Return the signed and completed application and all supplemental documentation (Electric Permit and Electric Inspection) along with required payments to Anoka City Hall. Incomplete applications will not be processed.
6. Upon approval, schedule a time to disconnect power at the project site to install the new EV Time-Of-Use (TOU) meter. To schedule, use our website www.anokamunicipalutility.com or call 763-576-2903.
7. Optional: Apply for EV Charger Rebate. See rebate application for rules & restrictions and how to apply.
