Special Event Area Fee includes:

Equipment and staff time needed to provide public notice of the area closure 2 days prior to the permitted special event. City will provide Type III road closure signage and A-Frames to secure the event area on the day of the event. Event organizer is responsible for setting up closure equipment or they may choose to contract with the city for assistance.

All events utilizing Area C3, D or E are required to contract Street Sweeping services for the event area plus 1-block perimeter. Street Sweeping may be contracted with the City of Anoka or a private contractor.
