Requests for electrical inspection (rei) with a fee of \$250 or less expire 12 months from the filing date. The installer must have the work completed within the 12 month period or submit another rei that includes the inspection fee for the uncompleted work. Inspection fees do not carry over from an expired rei to a new rei. A service charge of \$30.00 will be added for all dishonored checks. I hereby declare that a request for electrical inspection has been filed with the City of Anoka covering the installations described here in, and that the conditions of the installation are safe to energize on the property described above in accordance with the Minnesota electrical act.
